Garden Clean Ups Done In A Day!™

Garden Clean Ups Done In A Day™ focuses on revitalizing neglected gardens. We make gardens beautiful to look at, enjoyable to be in and straightforward to maintain. Our energetic team has the best equipment, knowledge, skills and experience to have your garden clean up “Done In A Day”™. Imagine the benefits of this; your garden is ready to enjoy instantly, plus there are minimal interruptions to your lifestyle, business, neighbourhood and environment.

A Garden Clean Up may include:

- Hand weeding; including troublesome plants such as ivy, blackberry and wandering dew,
- Pruning and shaping of trees / shrubs,
- Herbicide application,
- Soil conditioning with organic compost,
- Top dressing of garden beds using a quality mulch,
- Planting new plants to fill out gaps in existing garden,
- Mowing and edging of lawns,
- High pressure cleaning of pathways / driveways,
- Rubbish removed i.e. branches, lawn clippings, weeds and leaves,
- Site tidy up i.e. sweep / blow pathways driveways / carparks.
